\$20,000 for local first responders**

Idaho Falls, Idaho – March 26, 2018 - Paul Davis Restoration of Idaho and the company's charitable giving organization, Paul Davis Cares, recently presented proceeds from its 4th Annual 9/11 Fallen Heroes Memorial Tribute Run/Walk to honor each of the 403 first responders who died on 9/11. Since its inception, the event has raised more than \$60,000. The fundraiser recognizes and benefits the following organizations:

Idaho Fallen Firefighter Foundation is a nonprofit organization that recognizes line-of-duty deaths of career and volunteer firefighters in the state of Idaho. The organization supports families of firefighters who are injured or who have died and offers a variety of programs to support the health and safety of firefighters statewide. The Eastern Idaho F.O.O.L.S. (Fraternal Order of Leatherheads Society) is comprised of firemen who provide training for paid and volunteer firefighters while preserving the tradition and heritage of the fire service. The Idaho Falls and Bonneville County Fraternal Order of Police Domestic Violence and Assault Center supports the cause of rebuilding the lives of families and children who have been impacted by domestic violence or sexual assault along with prevention and training. The organization serves law-enforcement families in Bonneville County and the Idaho Falls fraternal orders of police.

The family-friendly event features several kids' activities including a children's firefighter challenge course and smoke trailer simulation, to name a few. Area firemen demonstrated firefighting equipment, ladder trucks, among others. Additionally, local police departments demonstrated gear utilized for serving and protecting the community. Life Flight services landed a helicopter on display to children and adults. The Idaho Falls and Madison Pipes and Drums performed during the event.
